

Keynote Speaker

Robert J. Hugin
Chairman and CEO
Celgene Corporation

Mr. Hugin serves as Chairman and CEO of Celgene Corporation, a biopharmaceutical company focused on the discovery, development and commercialization of innovative therapies for unmet medical needs in cancer and immune-inflammatory disease. He joined Celgene in June 1999 and has been a Director of Celgene since December 2001. Mr. Hugin is a Director of The Medicines Company and Atlantic Health System, Inc. He also serves as Chairman of The Pharmaceutical Research and Manufacturers of America and is a member of the Board of Trustees of Princeton University, The Darden Foundation, University of Virginia and of Family Promise, a national non-profit network assisting homeless families. Prior to joining Celgene, Mr. Hugin was a Managing Director with J.P. Morgan & Co. Inc. Mr. Hugin received an A.B. degree from Princeton University in 1976 and an M.B.A from the University of Virginia in 1985 and served as a United States Marine Corps infantry officer during the intervening period. Bob and his wife Kathy have three children and live in Summit, New Jersey.
