Raymond Hill
President
inVentiv Health Clinical

Mr. Hill leads the inVentiv Health Clinical business segment and brings extensive experience in successfully growing pharmaceutical services businesses and leading productive teams. He has lived and worked in Asia, Europe and the United States.

Prior to joining inVentiv Health in 2012, Mr. Hill was CEO at Pharmaceutical Product Development, Inc., where he successfully oversaw the process of taking the company private. Before that, he was President at IMS Consulting Group, where he led an aggressive strategy of organic growth and acquisitions – building the business to \$500 million in 2010, and then helping to take the company private. Prior to IMS, Mr. Hill held a series of other positions in pharmaceutical consulting.

He earned a Bachelor's degree from Cornell University and a Master's degree from Duke University.
