

# Patient Advocacy Group Application for Complimentary Membership

*Because Patients Can't Wait*®

As the industry's voice in New Jersey, we fulfill our mission by propelling the New Jersey biotechnology industry forward in support of patients. We do this by:

- Driving capital formation and fostering entrepreneurship;
- Advocating for public policies that advance medical innovation;
- Facilitating Peer to Peer Networking and knowledge sharing;
- Providing access to talent and education; and
- Offering a cost-saving array of critical commercial resources.

## Statement of Support of BioNJ Principles and Agreement to BioNJ Information Practices

BioNJ membership is available only to bona fide organizations that promote biotechnology research and support the growth and development of the biotech industry; and to organizations with public policy positions and business practices that are generally consistent with BioNJ's reputation and its policies and principles in support of innovation, including intellectual property, as determined by the Board of Trustees. BioNJ reserves the right to review applications for membership to confirm that the applicant meets these criteria for membership and for the specified categories of membership as per BioNJ's bylaws. BioNJ may, in its sole discretion, reject an application for membership or elect not to renew a membership.

I, \_\_\_\_\_, on behalf of \_\_\_\_\_ (hereafter "Organization"), affirm that Organization generally supports BioNJ's public policy positions, and that the positions and business practices of Organization are generally consistent with BioNJ's reputation and its policies and principles in support of innovation, including intellectual property.

I understand and agree that BioNJ may use the Organization contact information and other personal information ("Information") collected in this completed form for a number of purposes, including: to provide notices, information and commercial messages about BioNJ, its activities, meetings and events, and its products and services; to communicate through mail, fax, email or other modes of communications; to publish such Information in its Membership directories, which may be publicly distributed, and to maintain such Information in its databases for use by BioNJ and its contractors and partners in furtherance of the activities listed above, as well as other activities approved by BioNJ; and to share the Information with its contractors and partners who may use the Information to send commercial messages regarding third-party products and services.

I consent to the use of the Information as set forth above in perpetuity. BioNJ will take reasonable measures to discontinue its use of the Information in its possession within a reasonable period of time upon written request from an authorized representative of the Organization. I acknowledge that BioNJ may not be able to discontinue all such use of the Information. I agree that BioNJ may update the information practices set forth above from time to time, and that any such update shall be effective immediately once it is posted on BioNJ's website at <http://bionj.org/>. I acknowledge that Organization's continued access or use of BioNJ's website shall be deemed to constitute its consent to BioNJ's updated practices.
