

BIO Business Solutions®, BIO's cost-savings program, has partnered with industry-leading suppliers to offer discounted products and services to members of BIO and to members of endorsing state and regional associations. BIO Business Solutions® enables \$300 million in savings annually to over 3,400 companies of all sizes.

Environmental and Waste Disposal Services

BIO has partnered with Clean Harbors, one of the largest environmental services companies in North America. Clean Harbors manages waste recycling and disposal for almost all waste streams, planned environmental and industrial services, as well as emergency response services. Clean Harbors has offices throughout the United States, Canada, Mexico and Puerto Rico. Members eliminate significant liability, avoid potential compliance issues and experience economic gain by working directly with the company that owns and operates the entire supply chain, from collection to end disposal facility. Many members today use third parties who own no disposal assets and offer no assistance related to compliance requirements.

Member Benefits:

- Special pricing and discounts for members include 35 to 40 percent off list on disposal, 15 to 20 percent off list on transportation and materials and 35 percent off list price on labor charges
- Reduced security recovery fee for members
- Free site visit to ensure storage area and recordkeeping are in compliance, as well as waste stream review
- Full online services capability to track waste, manage profiles, view all reporting, download biannual report data and stream-line data gathering process as well as full transparency to pricing
- Clean Harbors will review your staff training and make recommendations to ensure you are compliant with applicable State and Federal laws
- Robust recycling capability that will be applicable for waste and unused products

Services offered by Clean Harbors:

- Waste transportation, recycling and disposal
- Chemical and solvent recycling
- Emergency and planned cleanup services
- Lab packing services
