

BioNJ Political Action Committee Contribution Form

Please consider contributing to the BioNJ PAC.

Why is BioNJ PAC necessary?

Your success, and that of our industry, are directly dependent upon the actions of the NJ State Legislature. BioNJ PAC helps support those members of the Legislature who prioritize our State's life sciences sector.

To whom does BioNJ PAC contribute?

BioNJ PAC contributes to majority and minority party candidates, incumbents and challengers alike. Because it is non-partisan, it does not represent the interest of any political party.

Who is prohibited by law from contributing to BioNJ PAC?

Insurance companies, banks, utility companies and other regulated industries, foreign nationals and foreign-owned corporations are prohibited by law from making contributions.

Who can contribute?

Any individual or corporation not described or listed above can contribute. You do not have to be a BioNJ Member to contribute.

How can I contribute to BioNJ PAC?

Making your contribution is simple. BioNJ PAC can accept contributions by check using the form below. Maximum contribution is limited to \$7,200 per person or organization per calendar year.

How does BioNJ PAC decide on contributions?

Decisions are made in accordance with the BioNJ PAC bylaws. Candidates for BioNJ PAC contributions are evaluated on a variety of factors, including recommendations from BioNJ Members, their support of BioNJ policies, accessibility to our Members, willingness to learn about our industry and their respective committee responsibilities.

BioNJ PAC is registered with the NJ ELEC (Election Law Enforcement Commission).
